THE

ip340

- **Small Design**
- **Standalone or connect-to-TV**
- **Beautiful 7" protected screen**
- **Battery Powered for hours**
- **Mobility through wireless**
- **Communicate through VRS or point-to-point**
- **Simple and Easy to Use**

This model of The Z is the perfect videophone. It is small, lightweight, and delivers high-quality video over Broadband or Wifi. With a stunning 7" screen (that can be closed for safe traveling) this sleek black videophone can be used on your desk, with your TV, or mounted on your kitchen wall. The external battery provides 2 hours of video and if you need more time – attach another battery! And – all your friends with videophones can call you on The Z-ip340 since it supports H.323 and myvp.tv!
